SEAL GRIP - DATA SHEET

DESCRIPTION

SEAL KING SEAL-GRIP is specially manufactured to create a textured surface without the sharp edges. SEALGRIP bonds easily to the acrylic sealer for a strong durable long lasting finish.

BENEFITS

- For driveways, patios, garages and steps.
- Increases traction.
- Rounded edges for barefoot walking
- Stronger than sand.
- Easy to use.

DIRECTIONS

- Simply add 1L of SEAL-GRIP to Seal King's Paving Stone Sealer
- Mix well.
- Apply to surface with Paving Stone Seal directions

CAUTION

- Avoid eye contact, if contact occurs wash thoroughly with cold water.
- Avoid breathing dust.
- Keep away from children.

PACKAGING

- Available in 11/32oz. containers.
